

## Final Choices: Assignment Six

Now it's time to make your final choices.

List in descending order the three positions you would accept at your target company. Indicate the lowest starting salary you'd accept for each position.

\* Here's a check on your work: The more carefully you've chosen the job, the less the starting salary will matter.

Re-examine the **Questions about your objectives for your next job**. How will the positions you are seeking prepare you for your "Dream Job" and satisfy the requirements of your "calling?"
